This caring atmosphere sets the foundation for the formation of each student's Catholic Identity, self-esteem and community awareness.

The Academy of the Most Blessed Sacrament prides itself on providing a faith-filled learning environment. Each student is treated as an individual and is offered a challenging academic program. At the same time, each child is treated as a member of God's family and is presented with opportunities to work with others as a class, as a school and as a community in many outreach service projects and prayer services.
